What’s in Career Engineer?

Looking for more job opportunities? One of Engineering Career Services’ most underutilized resources is our weekly Career Engineer Newsletter!

Tip of the Week: Before you scroll too far, you’ll want to glance at our Tip of the Week. Each Tuesday of the semester, we’ll offer you a tidbit for success with the job search and how to best use our resources!

“View Deadlines”: Click on the red button to find upcoming internship and job deadlines. The list changes weekly and we only include opportunities two weeks out. This is a curated list designed to simplify your search. We hope you take advantage of it!

To navigate to this database, click on the red button! How to filter for opportunities will be explained below.

You will be directed to this sign-in page, sign-in as you would Canvas.
What’s in Career Engineer Continued

You can type in your major, a company, or position you’re looking for, hit “Find All”, and everything will be highlighted for you!
This is a great opportunity to find roles you might not have realized were available to you.

Now back to the email itself:
Virtual Career Workshops: In this section you’ll find a complete list of the virtual workshops our office has to offer, as well as a button for registration! These can be useful if you don’t know where to begin on your cover letter for example, or honing your interview skills.

Career Events: Here’s a list of career building events and networking opportunities coming up! It includes a list of in-person and virtual events to look out for, as well as registration information.

Advice from Engr. Career Services: A brief explanation of what we offer, and the links to check out.

Terrapins Connect: An explanation of our very-own, UMD-based networking site, Terrapins Connect, and how to get started.

Graphic of our Corporate Sponsors: So you can keep an eye out for them when looking to build your connections on our site or elsewhere!
