DETAILS, DETAILS, DETAILS

No matter where you find your professional clothes, you’ll want to make sure they fit you well and are clean and pressed. In College Park, there are multiple services to help you get ready for that interview or career fair, whether you need a dry cleaners, tailor, haircut, manicure, or shoe shine kit. Here are a few resources:

- [Shop College Park’s](#) website includes a directory of local businesses.
- You can search “dry cleaners” for a list where some are less expensive than others. Some, like [Hollywood Cleaners](#) next to MOM’s market on Rhode Island Ave., use only organic cleaning products. Some dry cleaners also offering tailoring services. If you can hem or sew a button on your own, [Joanne’s](#) on Greenbelt Road sells sewing and craft materials.
- Locations other than those listed are enclosed in the [UMD Transit Guide](#).
