

TOP CAREER PLANNING TIPS FOR NEW INTERNATIONAL STUDENTS

Congratulations on being accepted into the A. James Clark School of Engineering! Our staff welcomes you and look forward to assisting you with your career preparation and job search. Here are just a few ideas to help you get started:

IN AUGUST, BEFORE CLASSES BEGIN:

- ☐ **Explore our website.** See tips and resources on gaining experience beyond the classroom, what to expect in your U.S. job search and how to stand out as an applicant at <https://eng.umd.edu/careers/students/getting-started>. Find statistics and student success stories at Terps at Work.
- ☐ **Get a head start on your U.S. internship search** by attending career workshops in Martin Hall. The topics below are offered in August and a few times each semester. Sign up on our website at <http://ter.ps/engrworkshop>.

*Resume Writing**

LinkedIn 101: Create an Account
Cover Letters & Professional Correspondence

Career Fair Preparation
Interview Tips

Job Offers & Salary Negotiation
CPT Authorization Steps for F-1 Visa Holders

- ☐ **Attend relevant orientation sessions** in addition to your required departmental, grad school, and immigration meetings. ISSS offers sessions that are especially helpful as you prepare for study, work, and life in the U.S. You can register on iTerp.

Finding Jobs On Campus
Transportation Services & Parking
Safety & Security
Understanding U.S. Healthcare

Preparing For Your Future: Career Services
Academic Success & U.S. Classroom Culture
American Culture & Tools for Adjustment
Becoming a Washington, DC "Insider"

- ☐ **Start building a network** of friends with similar interests by ...
 - joining a club: <http://orgsync.umd.edu/>
 - staying active or joining a team: <https://recwell.umd.edu/>
 - attending an engineering student society meeting: <https://eng.umd.edu/careers/employers/student-societies>
 - trying a new hobby: <https://thestamp.umd.edu/studioa>

Meeting people and making friends that grew up in the U.S. can help you gain insight into U.S. culture. Employers want to hire students who have developed interpersonal skills, not just technical expertise.

ONCE THE SEMESTER BEGINS:

- ☐ **Have your new resume* critiqued.** Once you are officially registered for classes, you can bring a printed copy of your updated resume to our office. Our peer advisors will give you suggestions on how to improve it and give you access to the Careers4Engineers/Careers4Terps database.

Walk-in Resume Critiques

Monday-Friday, 8:30 a.m. - 4:15 p.m. | No Appointment Needed

**Before we can activate your Careers4Engineers/Careers4Terps account, we strongly encourage you to attend the Resume Writing workshop. Make sure to update your resume based on the tips you learn in the workshop before you share it with employers.*

- ☐ **Explore your Careers4Engineers/Careers4Terps account.** Use this portal to search and apply for internships and jobs with employers that hire Maryland students. Having at least one internship as a student will set you on a course towards a great entry level job once you graduate.
- ☐ **Apply for on-campus part time jobs.** See which departments usually hire students at <https://eng.umd.edu/careers/students/campus-jobs>. Refrain from visiting campus offices in person to ask for a job. The answer will most likely be no.
- ☐ **Meet employers on campus** to build your professional network and learn about possible career paths or internship opportunities. On our website, you can go to *Students* → *Career Fairs* and *Events* sections for details and dates:

*Fall & Spring Career & Internship Fairs
Employer Information Sessions & Lobby Tables
Recruiters-in-Residence: Resume Clinics*

*Engineering Career Fairs
Recruiters-in-Residence: Mock Interviews
Tech Talks*

- ☐ **Prepare for the job search process** by practicing networking, cover letter writing and interview preparation. See <https://eng.umd.edu/careers/students/job-search-tips> Learn about career paths from alumni.
- ☐ **Keep up with your classes.** Grades and learning are important to your employability. Be sure to study throughout the semester and ask for help from your instructors if you don't understand the material.
- ☐ **Take advantage of these and other campus resources** for your academic and personal well-being:

*International Student & Scholar Services
University Health Center
University Counseling Center
Writing Center
Maryland English Institute*

*Office of Multicultural Involvement & Community
Advocacy [MICA]
Undergraduate & Graduate Student Legal Aid
University Recreation & Wellness
Accessibility & Disability Service*

Visit our office and website for additional help with career planning. We are happy to answer general questions or to meet with you individually to discuss your unique job search plan.
